S&S LINCOLN LIMOUSINES

The S&S Lincoln limousine is a handsome coordinate to any S&S Majestic. The distinctive traditional styling is presented in a choice of lengths: 46-inch, 70-inch, 90-inch or 100-inch. This limousine is truly the industry's standard of excellence.

100-inch Lincoln Six-Door Limousine

Your image is paramount to S&S. Every professional car we develop is designed with you in mind. S&S was the first to give you a standard 46" wheelbase extension. S&S was the first to give you the ability to customize your own limousine. S&S limousines continue

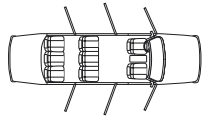

to provide the distinctive image your firm deserves. No matter which model you choose, S&S provides the ultimate in passenger comfort. From our wide-swing doors to spacious head and leg room, we have you and your customers in mind.

Standard Five- and Six-Door Features

46- and 70-inch LIMOUSINES

46-inch Lincoln
Six-Door Limousine

Center seat design provides additional foot room for rear seat passengers.

Low profile floor provides the greatest headliner-to-floor clearance. Don't be confused by competitive "flat floor" models that actually raise the floor. These Lincoln limousines also feature the widest-opening doors available. Power windows are standard.

No matter which model you choose, S&S provides the ultimate in passenger comfort. Air vents are ideally positioned to provide maximum climate control for all rear compartment passengers. For added convenience, a tissue dispenser is strategically located for rear seat passengers.

Due to continuous improvement, Accubuilt reserves the right to change standards and specifications without notice or price adjustment.

Standard Features for all Accubuilt Limousines include:

- heavy-duty chassis
- die-stamped, "one-piece" galvanized steel doors
- full vinyl top
- Lincoln leather seats
- wide-opening center doors
- full-size spare tire
- low-profile floor
- rear-passenger air vents
- rear seat tissue dispenser
- power center door windows
- heater under seat
