Your coach leads your service. Which is why thousands of directors around the world insist their coach be Superior.

With the timeless elegance of traditional styling, accented by distinctive body contours and graceful roof lines, your Superior coach does indeed look the part. You project prestige, dignity and good taste.

You set the perfect tone and manner for your service.

Closer inspection also reveals that the beauty of Superior coaches is a lot more than sheet metal deep. Inside, you'll find the industry's most spacious coach compartments, superbly appointed and expertly detailed with the finest materials and craftsmanship.

Standard Features

SUPERIOR STATESMAN

Standard Statesman Features

- heavy-duty chassis
- exterior paint (choice of OEM)
- pinstripe (choice)
- Cadillac leather interior
- motif area (stainless-steel panel)
- headliner (cloth)
- drapery (one-piece cloth, velcroed)
- interior sidewall (vinyl or cloth)
- rear compartment flooring (laminated)
- wheel house (match rear sidewall)
- rear partition glass (2-piece)
- name plate brackets on side doors
- church truck (open)
- ABS bumper protector
- rear rollers (10)
- bier pins (one stationary in front, one quick-adjust in rear)
- widest-opening load door available
- left-hand load-door hinge

- loading lights in rear bumper

Extra-large storage compartment under partition with lid.

Leather interior in driver's compartment on the base Cadillac chassis is accented by matching material and trim in the rear compartment.

Stylized wheelhouse panels, with brushed aluminum accent moldings, are shaped to yield more floor space to carry additional flowers.

A single front bier pin and open church truck opening are standard on a Statesman.

OPTIONAL Superior Statesman Features

Shown with optional oval rear window and lower chrome molding. ▶

An oval or limousine-style window can add an additional touch of elegance.

An optional beacon ray light as pictured, or wiring for a customer's light can be installed, if requested.

An optional oval window is also available.

Rear power extend table opens and closes with the push of a button on the rear loading door frame.

Statesman Options

- limousine-style rear windows
- oval rear windows

Crash test-proven, all-steel inner body structure.

Accubuilt's unique, QUICK-ADJUST BIER PIN eliminates time-consuming twisting

Depressing the top button releases the tightening knob and shaft to fully open the Bier Pin.

Place the Bier Pin in one of the hexagonally-shaped holes.

Depress the top button and push the knob until the Bier Pin is close to the casket or Commemorative Carriage.

Tighten the quick-adjust knob to secure the casket or Commemorative Carriage in place.

Bier Pin in position.

To release, simply push the top button as before, and pull the knob to open the pin.

Bier Pin fully open.

Grasp and pull the Bier Pin straight up from its seated position and...

...it can be conveniently stored on the top of the wheelhouse panel.
