Crash test-proven, all-steel inner body structure.

Accubuilt's unique, QUICK-ADJUST BIER PIN eliminates time-consuming twisting

Depressing the top button releases the tightening knob and shaft to fully open the Bier Pin.

Place the Bier Pin in one of the hexagonally-shaped holes.

Depress the top button and push the knob until the Bier plate is close to the casket or Commemorative Carriage.

Tighten the quick-adjust knob to secure the casket or Commemorative Carriage in place.

Bier Pin in position.

To release, simply push the top button as before, and pull the knob to open the pin.

Bier Pin fully open.

Grasp and pull the Bier Pin straight up from its seated position and...

...it can be conveniently stored on the top of the wheelhouse panel.
